ABOUT US

At VCMS, we believe in the power of education to transform lives, shape futures, and build stronger communities. Established with a vision to make a meaningful impact on society, we have been dedicated to providing exceptional learning experiences and fostering innovation since our inception.

Our institution stands as a beacon of knowledge, a hub of creativity, and a center for personal and professional growth. We are committed to nurturing talent, inspiring curiosity, and facilitating the pursuit of excellence in a diverse range of fields.

OUR MISSION

Our mission is simple yet profound: to empower individuals with the knowledge, skills, and values they need to succeed in a rapidly changing world. We strive to create a supportive and inclusive learning environment that encourages critical thinking, collaboration, and a lifelong passion for learning.

At VCMS, we understand the rapidly evolving nature of these industries and ensure our programs are designed to keep pace with global trends and innovations. Our students benefit from:

- 01 ▶ Experienced Faculty:** Learn from industry veterans and highly qualified professionals who bring real-world experience to the classroom.
- 02 ▶ Industry Partnerships:** Through collaborations with leading companies and organizations, we offer valuable internships, placements, and networking opportunities that enhance career prospects.
- 03 ▶ Hands-on Training:** Our practical approach to education ensures students gain the skills needed to succeed in their chosen field. From simulations in logistics management to on-site visits to shipyards and hospitals, we provide experiential learning that aligns with industry standards.
- 04 ▶ Global Outlook:** With industries becoming increasingly interconnected, we prepare our students not only to excel in the local job market but also to compete on a global scale.

Why VCMS ?

We provide an up-to-date curriculum that incorporates the latest trends, technologies, and best practices in each field.
- Career Support**
From personalized career counseling to job placement assistance, we are committed to helping you build a successful career.
- Convenient Location**
Situated in Kochi, a hub of business and industry, our institute offers students easy access to opportunities in various sectors.

DIRECTOR MESSAGE

It gives me immense pleasure to share one milestone of a great journey. The joy is heightened when the journey is towards a vision. In response to the rapidly changing economic environment and the process of globalization, the institute has made a humble beginning to bring quality perspective to all its activities.

Learning and growth at VCMS are not confined to classroom and academic experience. Students participate in rich and varied extracurricular and co-curricular activities too. While we feel proud of our achievements, we are not content. Our vision is to emerge as a top ranking management school in India more focusing to national and international placements.

Our aim is to achieve global reorganization as a leading player in the field of management education. Our success in this endeavor has the potential of making our institute one of the most attractive destinations in the world for acquiring management education.

Excellence and Ethics are important elements of VCMS DNA and they should also become part of the DNA of all of you, who pass through the portals of VCMS. This cannot be achieved by us, the faculty alone; it cannot be taught in the classroom. We can help you to develop these attitudes, values and beliefs that form a managers' world view and a professional identity. We can show you the direction; but, you need to take responsibility to learn, to grow and to become responsible, committed and competent leaders.

We at VCMS believe in providing not just placement opportunities and services for our students, rather we believe in 'Career Services' which include Quality Placements, Higher Studies Support, Internship Opportunities, Entrepreneur Support as well as Career Guidance. VCMS P-Cell also focuses on strong Alumni Relations.

VCMS strongly believes in the creation of good quality human resources with training of intellectual minds. To help students stand-out and gain a competitive edge over the others, we stress on developing both functional skills and exceptional practical outlook. The Career Development Cell works diligently towards ensuring employment for all students across various industries and helping budding entrepreneurs in establishing successful businesses. VCMS organizes Activities, Workshops & Summits on a regular basis to enable students to be effective Team Leaders and Players.

We focus not only on career-oriented growth but offer versatility. There has been a consistent growth in our placement records. Hence, we focus on instilling Technical Skills, Aptitude Skills and Soft Skills in the students, so that they can scale heights.

It is our endeavor to ensure more quality placement in large conglomerates in varied sectors and industries.
